

Donor Benefits

The Towson Chamber of Commerce, Inc. acknowledges the generosity of our contributors. All donors have the benefit of seeing their gifts work in the Towson Core Business Community through the community programs initiated by our Chamber including: Employing staff to maintain the streets of Towson, Welcome to Towson Banners, Towson Farmers Markets, Towson Area Scholarship Fund, December Holiday Decorations & the Christmas Tree Lighting Celebration and the highly successful “Feet on the Street” Friday Night Block Parties from May to October.

In addition, the Towson Chamber of Commerce mission is to support local businesses, particularly within the Towson Core area, through referrals, marketing and advertising media.
